# WHATS ON OFFER

At Bishop Luffa School our school motto and ethos is “always our best because everyone matters”. As part of this vision we want to give all students the opportunity to succeed and realise their potential. For some we recognise this means offering alternative approaches to their education alongside rich experiences.

As part of Bishop Luffa School, Bishop Luffa Launchpad aims to provide our young people with the opportunities to thrive through unique and bespoke programmes that focus on their strengths, helping to build confidence, equipping them to engage with further education and life beyond school.

Students are invited by Bishop Luffa staff to work at Bishop Luffa Launch Pad where they will be offered an opportunity to gain qualifications in Math and English and a range of vocational programmes that are designed with the learners in mind.

A key aim will be ensuring students in Year 10 and 11 develop a pathway onto their next step in education and training. Students will have the opportunity to do regular work experience, college skills days alongside their core studies. Students will also have the opportunity to choose vocational modules to help personalise their education.

In KS3 students may undertake full or part time courses. Beyond the core study of English and Maths, students will follow theme based projects that help to reflect subjects like history and geography. Students will be able to engage with these subjects through hands on project experiences.

# THE SITE

Situated in the grounds of Launchpad Charitable Trust, Bishop Luffa Launchpad will have a bespoke site with access to fantastic facilities for outdoor learning.

Clad containers - Green roofs & charred cladding

Wild-flower

Kitchen garden

# THE CENTRE

# EXAMPLE TIMETABLE FOR YEAR 10 AND 11

Monday	Tuesday	Wednesday	Thursday	Friday
BL Launchpad	Work Experience	College Skills day	BL Launchpad	BL Launchpad

## BL Launchpad day

Lesson 1: Maths

Lesson 2: English

Lesson 3: ICT or PSHE

Lesson 4: Vocational Course or Level 1/2 courses

Lesson 5: Vocational Course or Level 1/2 courses or Enrichment activity

Part time students will be transported to and from Bishop Luffa at break times and lunch times.

KS3 timetable will follow a timetable equivalent to the BL Launchpad day above.

# STUDENT SUPPORT

Students working at Launchpad will be part of the Bishop Luffa School House system and parents will continue their link with the child's Head of House.

Each full time student will be supported using a Pastoral Support Plan. This will enable regular meetings between parents, student, and the Bishop Luffa School's pastoral support team to ensure that the provision is meeting the needs of the student and helping them to develop in confidence.

Students with additional needs will be supported by Bishop Luffa School SEN team overseen by the SENCO.

Bishop Luffa Launchpad students will join the Bishop Luffa School students for whole school events such as assemblies and memorial events.
