

# Bishop Luffa Bridging Work

## CORE MATHS

For your Core Maths bridging work you have 3 tests to work through. Each test consists of 10 questions. These test your GCSE knowledge and problem solving skills.

The tests are multiple choice. **Please write down all your working for these questions bring the working and the answers into school in September and submit to your teacher.**

The tests are posted together with these instructions. If you need further help please email me on [stallardn@bishopluffa.org.uk](mailto:stallardn@bishopluffa.org.uk)

Mrs Stallard
