

## Year 13 French Curriculum Map

<b>Overview</b>	<p>The course will prepare students for AQA A-level French. The exam is linear, which means that students will sit all of their exams at the end of Year 13. The course is taught by 2 teachers (teaching different units) and supplemented with timetabled speaking practice in small groups once a week. Students learn to communicate at a high level in French through the study of topical issues and cultural matters. Authentic materials are used and drawn from many sources, including French media. Students take responsibility for their own learning within a structured independent study schedule. Students choose an area of interest in Francophone society / the Francophone world for their Independent Research project.</p>
